ALIX RICE MEMORIAL SKATEPARK FUNDRAISER

Building a Safer Future Brick by Brick!

Alix Rice Peace Park Foundation Inc.

Creating a Safe Haven for Skaters, in Honor of Alix Rice!

The Alix Rice Peace Park Foundation is a 501C3 Non-Profit Organization. It was formed August 26, 2012 with the major goal of building a skatepark in memory of Alexandria "Alix" Rice. A safe haven for local skateboard/longboard enthusiasts in Alix's home town of Amherst.

The Foundation's mission is to preserve the values of Alix Rice through her legacy as a longboard and skateboard enthusiast by soliciting funds to financially support the erection and preservation of a skatepark as a safe, centrally located meeting place separate from traffic available to all Amherst residents which will promote and empower the youth as stewards of the creative force that adds diversity to our local community through skateboarding as a recreational activity within the Amherst community. To secure a 10,000 - 16,000 sq.ft. public skatepark in memory of Alix Rice.

The purpose of this project is to provide a safe place for skaters to skate and share camaraderie similar to those experiences of soccer, hockey, lacrosse or football players. Skateparks are not breeding grounds for trouble. Skaters have a bad image because they are seen on streets or in locations not appropriate for skateboarders. Skateboarding is a social culture. Teenagers in particular need more than just a place to skateboard. They are looking for a place to meet with friends and talk about music, video-games and sports. Increasingly, outdoor space and public areas are privatized in a manner that discourages teens from gathering. They are looking for a physical place that welcomes them in our community. When a skatepark finally gets built in an area where there was a negative reaction they eventually realize the positive impact it has on their communities.
